

# Tower Duplicator DUP-Series

## 1:6/1:8/1:11/1:15

## Duplicate up to 15 discs at a time!

Primera's DUP-Series copies up to fifteen CDs or DVDs at a time at the fastest speeds currently available. All current formats are supported, including CD-R, DVD-R, DVD+R and even DVD±R Dual Layer.

Copy Towers with built-in hard drive are available in following versions:

- » DUP-06 (6 recorders)
- » DUP-08 (8 recorders)
- » DUP-11 (1 master drive, 11 recorders)
- » DUP-15 (1 master drive, 15 recorders)

**PRIMERA**  
TECHNOLOGY EUROPE™

## Features

- » Easy to use
- » No PC connection required
- » Professional-grade recorders
- » Aluminium case & chassis
- » The industry's lowest reject rates

## Easy to use

Place a master disc in the top drive, load up to fifteen blank discs and press "AUTO COPY". In just minutes, you'll have fifteen perfect copies of your data, music, video or virtually any other digital information. A built-in 500 GB hard drive allows you to store jobs for later use.

## Many Applications

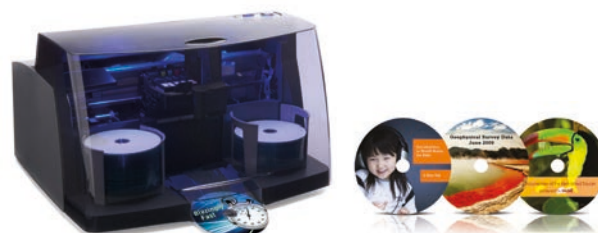

Tower duplicators – as opposed to disc publishers like Primera's Disc Publisher SE or Disc Publisher DP-4100 – are typically used when many identical copies are required in a very short period of time. Churches, schools, service bureaus, live events and concerts as well as many other users find this to be their best solution.

## Reliability and Long Service Life

The DUP-06/DUP-08/DUP-11/DUP-15 feature unique, aluminium chassis and frame while most other tower duplicators use painted steel. Aluminium is more expensive, but it dissipates heat more efficiently. This important difference leads to a longer life of the recorders as well as other components inside your new duplicator.

## For a Perfect Finish – Pre-print Your Discs with Primeras Autoprinters

Use one of Primera's award-winning direct-to-disc autoprinters to pre-print your discs for the fastest throughput. For low-volume or for higher-volume, full colour automated printing.

## Technical Specifications

<b>Drives:</b>	DUP-06: six Plextor CD/DVD Recorders, DUP-08: eight Plextor CD/DVD Recorders DUP-11: eleven Plextor CD/DVD Recorders, one CD/DVD-ROM DUP-15: fifteen Plextor CD/DVD Recorders, one CD/DVD-ROM
